

JOSEP PLA FOUNDATION

The Josep Pla Foundation is the best place

to find out about the life and work of the writer Josep Pla.

Josep Pla was born in Palafrugell in 1897.

The Foundation is located in the house

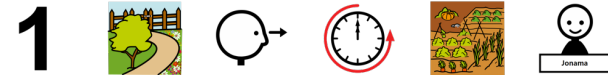

where the writer was born and in the house next door.

Each house has three storeys. They share a well

and a cour, with views over the old vegetable gardens in Joanama.

Josep Pla talked about it in his book El Quadern Gris.

The writer's family rented this house

in Nou de Palafrugell Road until 1904.

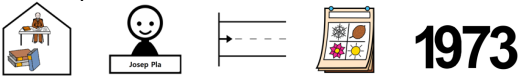

Later, they moved to Sol Road,

which is now known as Torres i Joanama Road.

The Josep Pla Foundation was created in 1973.

Its aim is to study and teach people about the writer's work.

They do activities for all types of public there.
